

# Commuter Connector

**We partner with employers, property managers and universities to solve their biggest transportation challenges.**

### **Not enough parking?**

Free up space with carpooling, vanpooling, or telecommuting.

### **Trouble attracting and retaining talent?**

Invest in commuter options for greater reliability.

### **Challenges engaging a changing workforce?**

Demonstrate social responsibility by offering commuter benefits.

### **Worried about rising insurance costs?**

Welcome a healthier workforce by encouraging walking or biking.

### **Commuter Connector Offers Your Team**

- Ridematching service to connect commuters to their options.
- Reward commuters who use alternative transportation options to get to work.
- Reimbursement for qualified commutes through our free Emergency Ride Home Program.
- Free consultations to set up commuter benefit programs.

### **Flexibility Without Liability**

Employers who offer their employees incentives, information and the flexibility to use rideshare programs are not liable for injuries or damages, as per Florida Statute 768.091.
